### **PREAMBLE:**

The State Government has been following the DA formula evolved by the Government of India for grant of DA to the State Government employees from the year 1987. The 5<sup>th</sup> State Pay Commission had recommended for revision of State pay scales with effect from 1-7-2005 by merging 71% DA and to continue to adopt Central DA formula. But in view of treating 50% DA in respect of Central Government employees as "Dearnness Pay" with effect from 1-4-2004, the 5<sup>th</sup> State Pay Commission had also recommended to sanction DA to State Government employees by applying a multiplication factor of 0.875 for every 1% DA sanctioned by the Government of India. Accordingly orders were issued in Government Order dated 16-5-2007 read at (1) and (2) above and further instalments of DA were regulated on the same basis. Subsequently, as per the recommendations of the 6<sup>th</sup> Central Pay Commission, the Government of India has ordered revision of Central pay scales and has also changed the AIACPI base as well as the series from 1982 to 2001 for calculation of DA. In these circumstances, the existing system of calculation of DA with a multiplication factor of 0.875 for every 1% DA sanctioned by the Government of India has to be discontinued.

The issue to decide about a new multiplication factor has been examined. As the base figure, the existing DA of 22.75% sanctioned to the State Government employees with effect from 1-1-2008 is retained. The further instalments of DA will be determined by applying a multiplication factor of 1.02 for every 1% DA sanctioned by the Government of India after 1-1-2008 by rounding off the decimals to the lower nearest multiple of 0.25%. Accordingly, the following orders are issued.

### **ORDER NO. FD 12 SRP 2008, BANGALORE, DATED 12<sup>th</sup> NOVEMBER 2008**
